crowds; it will pay you  
to come early. Carefully  
chosen assistants have  
been added to our staff  
of experts and if custom-  
ers lend their co-opera-  
tion we are sure all can  
be waited upon promptly.

guration by us years ago,  
has always been a cash  
sale. There will be no  
C. O. D., telephone, tele-  
graph or mail orders ac-  
cepted. No returns. No altera-  
tions made first day of  
sale.

## Our After-Christmas Clearing Sale Begins Tomorrow Morning

*It will be a wonderful thing—this sale. Its greatness can only be  
expressed by comparison with our After-Christmas sales of previ-  
ous years. It is an event which the women of this vicinity look for-  
ward to with the thrill of sheer joy. For featured are the best crea-  
tions of America—fresh, inspiring, beautiful, stylish. The gar-  
ments you have admired so much go at a fraction of their worth.*

## All Our Fine Suits, Dresses, Gowns, Coats, Waists, Skirts, Millinery, Etc.

### Our Stocks Were Never Finer or More Alluring

This is a one-of-a-kind store—which guarantees  
a first choice for every woman. Each garment  
reflects the J. Summerfield standard of excel-  
lence, of authentic, pronounced style chosen  
with knowledge and care from the first choice  
offerings of makers whose names are synony-  
mous with fashion. It matters not whether you  
want the extreme or the conservative, the in-  
dividualized type for you is here—an unlimited  
and unrestricted choice—now offered at prices  
positively ridiculous when one considers actual  
high value.

### As to Prices

*We Promise You  
Greater Values Than  
in Previous Sales*

To name prices would require a large catalog  
on account of the fact that each of the  
thousands of garments are individual in  
mode and the prices therefore are in great  
variation. It will be a wonderful economy  
event—and the savings will be outstanding  
facts, because—

### We Never Carry Garments From One Season to Another

It has been our policy for many years to never  
carry one garment over the season. The winter  
selling season has reached its height. Sac-  
rificing prices now, in midseason, is an assur-  
ance of securing your buying interest, thus in-  
suring us the maintenance of pre-eminence. It  
is really this policy of selling all garments in  
season that prompted our first After-Christmas  
Sale years ago. We adhere to the policy strict-  
ly through the effectiveness of prices so low as  
to actually compel a complete clearance.

## LOCAL CONCERNS GIVE BONUSES AS CHRISTMAS GIFTS

Remembrances Totalling Many  
Thousands of Dollars Are  
Given, in Most Instances  
Based on Length of Service.

Continuing the custom of years,  
Memphis business organizations have  
shown appreciation for faithful ser-  
vices rendered by employees in award-  
ing Christmas bonuses which collective-  
ly total thousands of dollars.

In many instances corporations have  
regulated gifts according to the length  
of an employee's service. Others have  
been gauged by a per cent of the in-  
dividual's salary for any length of time  
employees feel prompted to give.

A small number of the local banks  
have responded to the spirit. Those in  
disaccord have given presents in lieu  
of bonuses. Corporations have granted  
the largest bonuses.

President T. O. Vinton announced  
that the employees of the Bank of Com-  
merce and Trust company would re-  
ceive five per cent of a year's salary.  
Those with a year's service to their  
credit were given bonuses according to  
the number of months employed.

Five per cent of a year's salary was  
given to the men of the Union and  
Planters Bank and Trust company,  
which employ 150 employees. The Na-  
tional City bank and the Guaranty  
bank gave cash presents.

Wilson & Co., bankers, notified em-  
ployees of a 10 per cent bonus for six  
months' salary. Forty-five persons are  
employed and they receive the allow-  
ance twice each year.

It was announced by E. S. Duncan,  
assistant cashier, that 70 employees of  
Crane & Co. would be given 10 per  
cent of a year's salary. Seventeen  
men who are now serving with the  
United States army and navy are in-  
cluded. The firm annually gives \$1,500,  
000 in bonuses to 1,621 employees of  
branches throughout the country.

On Nov. 5 the Firestone Rubber  
company gave 20 per cent of a year's  
salary to 25 employees.

Local salesmen of the Fisk Rubber  
company were granted 12½ per cent  
for a year's service. A 20 per cent  
bonus was given employees of the Good-  
rich Rubber company.

Based on the length of service, the  
Central State National bank distributed  
bonuses ranging from two to eight per  
cent. President S. E. Ragland an-  
nounced. Several bonuses were given  
on a year's salary.

The Memphis branch of the Federal  
Reserve bank of St. Louis, one of the  
city's youngest institutions, gave to  
employees bonuses ranging from 10 to  
20 per cent.

### CRANE, JUST BACK FROM SIBERIA, TELLS OF NEEDS

SEATTLE, Wash., Dec. 25.—Charles  
E. Crane, formerly member of the Soviet  
commission to Russia, just back from  
Siberia and the Orient, said here:

"No one knows anything about Rus-  
sia. It is a tragedy. There are two  
things which stand out distinctly which  
are desperately needed, maintenance of  
the trans-Siberian railway and the ab-  
solute need of Russia for relief."

Men who possessed great knowledge  
of Russia prior to the war and even  
during her participation in the war, Mr.  
Crane believed, could not now give cor-  
rect views on the country. To supply  
food and relief and save the country  
from a dangerous position, he said, the  
trans-Siberian railway must be in-  
sured and kept in steady operation.

## My Christmas Wish

May Christmas day bring merry hearts to the  
thousands to whom it has been my pleasure to min-  
ister during the past months.

I sincerely hope that more abundant health, and  
with it more abundant happiness, has come to all  
whom I delight to call both friends and patients.
